We are pleased to be able to offer the current, 2019 *LATCH Manual* at a reduced price to conference participants. Safe Ride News is offering manuals for \$30 (regularly \$46) using the special conference coupon code of **TXConfOnly**. You may use the code for as many manuals as you want. Orders must be entered online directly on the Safe Ride News website, paid by credit card, PayPal, or check by September 9. SRN will ship to the shipping address entered within 2-3 business days of order placement. (Addresses within Texas only, please!)

ORDERING WITH THE COUPON CODE: Place your order at <https://www.saferidenews.com/product/2020-lm/>. At the top of the checkout screen, be sure to click the box that asks “Have a coupon?” Enter **TXConfOnly**, and then be sure to click the box that says “Apply coupon” before continuing to complete checkout.

TO PAY BY CHECK: Credit card and Pay Pal are preferred. However, if your agency requires you to be billed and pay by check, select ‘Purchase Order’ during checkout. A required field will ask for a purchase order number, so enter that if you have one or re-enter the coupon code in this field. Safe Ride News will send an invoice to the email address provided at checkout.
