

RAYMOND E. STOTZER, JR. AWARD

Mr. Robert C. Lanier of Houston, Texas, has provided funds for an endowment to establish the Raymond E. Stotzer, Jr. Award. This Award will be made to an employee of the department who is **not** a professional engineer, in recognition of outstanding leadership, dedication and service to the Texas Department of Transportation. In accordance with Mr. Lanier's wishes, the Texas A&M Transportation Institute, a part of the Texas A&M University System, has assumed responsibility for holding the endowment in trust, making the final selection of Award winners and presenting the awards at the Annual TxDOT Transportation Conference or another appropriate occasion.

The following procedures are established for the award and the selection of award winners:

1. The award was created and is known as the Raymond E. Stotzer, Jr., Award. The award is to be granted for outstanding leadership, dedication and service to the Texas Department of Transportation.
2. To be eligible for the award, an individual must have been an employee of the department for at least four years and must **not** be a registered professional engineer.
3. The award will consist of \$1,000 in cash and an appropriate plaque.
4. The Award Selection Committee will consist of three persons appointed by the Director of the Texas A&M Transportation Institute, no more than one of whom shall be a member of the University System staff with the other two being prominent citizens of Texas, having no official connection with a transportation agency of the State of Texas or the Texas A&M University System. The Director of the Texas A&M Transportation Institute will designate the Chairman.

Appointments will be continuous, subject to the wishes of the individuals concerned and the Institute.

5. Subject to the availability of funds from the Robert C. Lanier endowment, the award will be made annually at the TxDOT Transportation Conference unless, in the future, the Director of the Texas A&M Transportation Institute determines another occasion to be more suitable.
6. The Executive Director of the Texas Department of Transportation shall submit three nominations for the Award each year. The names, citations and a picture of each nominee shall be forwarded to the Award Selection Committee by the Director of the Texas A&M Transportation Institute approximately three months prior to the date of the Award. The Executive Director of the Texas Department of Transportation is not obligated to make nominations, if in his opinion, there are no eligible persons with significant contributions. In like manner, the Award Selection Committee is not obligated to select an award recipient if, in their opinion, a suitable candidate is not available.

Raymond E. Stotzer, Jr. Award (Continued)

7. The design of the plaque will be mutually agreed on by Mr. Lanier and the Director of the Texas A&M Transportation Institute. The names of the award winners will be displayed in the Texas A&M Transportation Institute at College Station, Texas.

TxDOT TRANSPORTATION CONFERENCE AWARDS

These awards are presented annually at the TxDOT Transportation Conference.

RAYMOND STOTZER, JR. AWARD

Established in 1990
